Size has not scaled with other burgers on menu

Fries – the classic side dish!

- More or less the best a vailable thing to eat
- Dirt cheap
- Varies across the burger places – Mc Donalds fries are miles ahead of burger king, max, white castle
- Use the Dip Sauce
-
-
- Often included in „meal“ packages together with some burger choice

Chicken Nuggets

- Bite-size
- Crisp crust
- Use the dip sauce!!!!
- Not actually made of chicken
- Not a burger but still a main dish in most burger places
 - Why?
 - When/where did this begin?
- Expensive

Dip Sauce

- DIP SAUCE
- „a handful of sticky food fluid“ *
- „before you eat that thing – let it carry another taste on its skin“ *
- Ketchup counts, and it's free, but not as good

What else

- Fish burger
- No longer served because nobody liked it
- Caesar salad
- Has never been seen IRL
- Mc Vegan
- Mc Bean
- Vegetarian
- Vegan? We don't know
- Medium sized
- Crispy, quite good
- Taste is meh
- Mc Gröt

Hack Donalds I

- „bespoke double cheese burger“
- Buy two cheeseburgers
- Remove top bread from one, bottom bread from other
- Combine for a bigger badder burger :)

Hack Donalds II

- „the mc donalds trick“
- Uncurl the skirt of the ketchup container to make it bigger

Thank you!
